

INDIA'S LARGEST STUDENT RUN HACKATHON

hackCBS 9.0

LEARN. TEACH. HACK. WIN

ABOUT SSCBS

Shaheed Sukhdev College of Business Studies (SSCBS), a leading institution at the University of Delhi, offers quality computer science, business, management, and finance education. Established in 1987, CBS has consistently excelled in academics and extracurricular activities. It is recognized as the top undergraduate business school in Asia. With diverse student societies representing the college globally, CBS promotes holistic development and allows students to pursue their passions. The dynamic curriculum equips students with the knowledge and skills for success in the global marketplace and all aspects of life.

ABOUT HACKCBS

hackCBS, the premier and the largest student-run hackathon is back with an amplified vision and an unwavering commitment to empower aspiring developers in a way they have never experienced before. This exceptional event offers a one-of-a-kind platform for budding talents to transform their brilliant ideas into tangible realities.

hackCBS, the pioneering hackathon, started the trend of hackathons in India and has consistently received an overwhelming global response with over 25000+ registrations in previous editions. Join us in supporting hackCBS 9.0 to be part of this thriving community and shape the future of technology.

OUR JOURNEY SO FAR...

2018
V1

The inaugural edition of hackCBS drew 1000+ registrations, 450+ participants, and prizes worth \$30,000.

2019
V2

Edition 2.0 was a major success with 2000+ registrations, 950+ attendees, and \$40,000 worth of prizes.

2020
V3

Despite COVID, our first online edition brought together 2000+ students from 260+ colleges with a \$50,000 prize pool keeping the spirit of innovation alive.

2021
V4

Edition 4.0 drew 2500+ registrations and 1850+ teams, fueled by a \$55,000 prize pool and unmatched enthusiasm.

2025
V8

The Grandest Yet.
Breaking all records, hackCBS 8.0 brought together 5,400+ registrations and 500+ on-ground participants from over 350+ colleges, driven by a massive \$220,000 prize pool.

2024
V7

The precedent setter, hackCBS 7.0 saw 4600+ registrations from hundreds of colleges, with a blazing \$150,000 prize pool

With 3500+ registrations and 500+ participants, Edition 5.0 buzzed with energy, driven by an exciting \$100,000 prize pool.

2022
V5

Edition 6.0 marked a milestone with 4000+ registrations, 500+ finalists, and an electrifying \$150,000 prize pool.

2023
V6

PROPOSED OUTREACH

VALUE FOR SPONSORS

Maximize your brand's visibility through dedicated Instagram reels, social media campaigns, event highlights, post-event content, and strategic digital promotion.

Connect with India's brightest student developers through networking, mentorship, and recruitment opportunities while strengthening your employer brand.

Drive real-world adoption of your products, APIs, and developer tools by empowering participants to build innovative solutions on your technology.

Receive professionally curated reels, interviews, event photography, and branded content that can be leveraged for your marketing.

Gain valuable insights into emerging technologies, developer preferences, and product feedback from one of India's most competitive student tech communities.

Build lasting relationships with future innovators, cultivate brand advocates, and establish a strong presence within India's next generation of technology leaders.
